	OR LOGIN WITH
CONTRACTOR CONTRACTOR AND	C Google

Login to eTaleem

- Enter the admin username and password (Step 2).
- Click the "Login" button to access the eTaleem portal (Step 3).

After logging in, the following page will be displayed:

Downloading the Application

• Scroll down and click on the highlighted icon in the left menu (image shown below). This action starts the download of the Windows application.

2.

Installing the Application

 Once the download is complete, click on the downloaded file (Step 1) to directly start the installation. Refer to the "Notes" section at the end if a previous version of the eTaleem application is installed on your system.

• Alternatively, click on the icon (Step 2) to open the download location. Double-click the downloaded file to initiate installation.

Launching the Application

• Go to the Windows Start menu (Step 1), search for "eTaleem" (Step 2), and click on the application to launch it (Step 3).

Log In to the Application

• Enter your login details to start using the eTaleem Windows application.

Notes

Uninstalling Previous Versions

- If a previous version of the eTaleem application is installed, uninstall it first by following these steps:
 - Open the Windows Start menu and search for "Control Panel."

• In the Control Panel, select "Category" (Step 1), then click on "Uninstall a program" (Step 2).

Packup and Postor	s of your files with File History		it type
